Also students in Corrections and Family Literacy.	6

<b>Assessment Data Check Reports...</b>		<b>NRS Table Correspondence</b>
Students with Invalid Test Scores	A list of students whose tests are invalid due to an invalid date, form, score or students who have taken inappropriate tests for their instruction	1, 2, 3, 4, 5, 8, 9, 10, 13
Students without Post Test	A list of students who are enrolled in classes and have a pretest but do not have a valid post-test entered into ALIES.	4, 8, 9, 10
Students Moving to Higher Level	A list of students whose post-test scores placed them in a higher NRS level than their pretest scores	4
Students Not Moving to Higher Level	A list of students whose post-test did not place them in a higher NRS level than their pretest scores including both students whose post-tests were not high enough for promotion and students who do not have a post-test.	4
Students Advancing One or More Level	A list of students whose post-test scores placed them in a higher NRS level than their pretest scores AND who remained enrolled in the program. This report does not include any students who have exited.	4
Students with Two Pretests	A list of students who have two pretests of the same exact type – for example two TABE Reading tests.	4

<b>Instructional Offering Data Check Reports...</b>		<b>NRS Table Correspondence</b>
Offerings without Funding Source	A list of classes, small groups or partnerships that do not have a funding source input into ALIES	1, 2, 3, 4, 6, 10, 13
Students Who Have Exited	A list of students who have been given the status of "Exit" in ALIES	8, 9, 10, 13
Students by Program Type	A list of students involved in Family Literacy, Workplace Literacy, and Correctional Education Programs	1, 2, 3, 4, 6
Invalid Instructional Offering	A list of invalid classes due to dates, enrollment, funding source or hours	1, 2, 3, 4, 6
Instructional Statistics	A list of all NRS classes including vital statistics such as instructor, contact and instructional hours, active/total enrollments, and ADA.	Report created for SED

<b>Goals &amp; Outcome Data Check Reports...</b>		<b>NRS Table Correspondence</b>
Students with Goals	A list of students with primary or secondary goals other than Educational Gain. Students are included whether they achieved the outcome or not	5, 6, 8, 9, 10, 11, 13
Students with Core & Secondary Outcomes	A list of students who achieved NRS primary and secondary outcomes includes students with and without goals	5, 6, 8, 9, 10, 11, 13
Students with Invalid Core Outcome	A list of students whose outcome information is incomplete or invalid such as survey date, outcome quarter and exit date.	5, 6, 8, 9, 10, 11, 13
Students with Goal who Achieved Outcome	A list of students who have the goal of achieving an NRS primary outcome (other than Gain) did attain the outcome, exit, and were surveyed	5, 6, 8, 9, 10, 11, 13
Students without Goal who Achieved Outcome	A list of students with unintended outcomes who did not set a core NRS outcome as a goal, but did attain the outcome, exit, and were surveyed.	5, 6, 8, 9, 10, 11, 13
Students with Invalid Employment Status	A list of students who have employment goals and a mismatched employment status – e.g. obtain a job goal with Employed Full Time status	5, 8, 9, 10, 13
Students Needing Retain Job Goal	A list of students who should be coded with the retain a job goal since they had the goal of obtaining a job, got a job and exited during the first two quarters of the year	5, 8, 9, 10, 13
Students with Outcome NS – Not Surveyed	A list of students who have a primary goal and exited, but were not surveyed. These students may not have replied to the survey or may not have been reached to perform the survey.	5, 8, 9, 10
Participants without Goals	A list of students included in the NRS Report who have no additional goals other than Educational Gain	5, 6, 8, 9, 10, 11, 13

<b>NRS Tables I and II Data Check Reports</b>	
Table 1	A list of all Students in NRS Table 1– Participants by Entering Educational Functioning Level, Ethnicity and Sex. Includes a list of each student in each column and row of the table
Table 2	A list of all Students in NRS Table 2– Participants by Age, Ethnicity and Sex. Includes a list of each student in each column and row of the table
Table 3	A list of all Students in NRS Table 3– Participants by Program Type and Age. Includes a list of each student in each column and row of the table
Table 4	A list of all Students in NRS Table 4– Educational Gains and Attendance by Educational Level. Shows a breakdown of students who did and did not achieve gain at each level, etc.
Table 5	A list of all Students in NRS Table 5– Core Follow Up Outcome Achievement. Shows a breakdown of students with goals, those surveyed and those achieving each outcome.
Table 7	A list of staff in NRS Table 7– Adult Education Personnel by Function and Job Status. Shows a breakdown of staff by role, pay status and time status.
Table 8	A list of students who are included in NRS Table 8– Outcomes for Adults in Family Literacy Programs.
Table 9	A list of students who are included in NRS Table 9 – Outcomes for Adults in Workplace Literacy Programs.
Table 10	A list of students who are included in NRS Table 10 - Outcomes for Adults in Correctional Education Programs.
Table 11	A list of all Students in NRS Table 11– Secondary Outcome Measures. Includes a list of students with each secondary goal and those students with the goal who achieved the secondary outcome.
Table 13	A list of all Students in NRS Table 13– Core Follow Up Outcome Achievement for Unintended Outcomes. Shows a breakdown of students without goals that achieved each outcome
