#### When will I be notified of my acceptance status?

Early bird Applicants will be notified August 25, 2016.

All applicants will be notified by Wednesday, September 25, 2016.

## Registration

### Once accepted, how do I register for the program?

Following acceptance into the TESLA program you will be emailed a link to officially register and select payment options.

## Tuition & Payment

### Do you offer tuition assistance or scholarships?

We definitely appreciate that the course is a significant investment, which is why we are giving potential participants 3 months in advance to plan and budget for it. Also we encourage participants to check with their employers about professional development reimbursement. There may be a possibility of tuition assistance this year for qualified applicants. Please contact Judy Trupin to discuss this.

### What forms of payment do you accept?

Payments can be made through PayPal, which can be connected to your bank account or credit/debit card.

## PAYMENT OPTIONS
